Dear Tom,

Thank you for your inquiry into franchising. I will be contacting you shortly to discuss your business and personal goals.

I provide professional franchise consulting and placement services to those who wish to invest in a franchise. My services are at no cost to you and will help you better understand what all of your options are in franchising.

We can also discuss using your 401K or IRA to fund your business without having to pay any penalties or income taxes to the IRS. There is a completely legal and fully endorsed program that was created for this very purpose which we can discuss when we connect.

You can reach me at the number or email below. Otherwise, I will contact you within 1 business day.
